Meaning of SUC

Meaning of **SUC**

SUC means total Death Sum Assured (ASA) of all policies taken / revived during the last 2 years, in respect of Regular Premium Plans.

How to calculate the Period?:

Date of Current Proposal: 23.5.2026

Risk Cover of all policies taken / revived from 1.5.2024 is to be taken into account.

Please note:

only Date of Commencement of the Policy is basis and not the Date of Completion.

- **Very important: The Proposer should be a Standard life.**
- ASA = Basic Sum Assured or Death Sum Assured less Single Premium.
- For SUC under Single Premium Plans, policies taken during last two years are to be taken into account.

Applicability of Stand alone Non-Medical Scheme for Single Premium Plans

Those falling under:

- ✔ Preferred Non Medical Group (Resident Indians, NRIs and FNIOs of Group V) 18 to 50)
- ✔ Special Non Medical Group (Resident Indians and NRIs of Group V) (18 to 50)
- ✔ General Non Medical Group (Resident Indians) (18 to 50)
- ✔ Major Students (18 to 30)
- ✔ Those aged 51 to 60 Years
- ✔ Those aged 61 to 65 Years (with MER/Video MER)

Meaning of Stand Alone Limits

- The Limits are available for all these 4 Plans options **individually;**
- One can avail the benefit under all these 4 Plans **simultaneously.** (Earlier the limit was the total ASA of all these plans put together).
- Now the scope of Business/Premium has increased in a big way.

Meaning of Stand Alone Limits

With MER or Video MER:					
61 to 65	3 lacs	Based on Sum Assured & Premium	12 lacs	12 lacs	12 lacs

Applicability of both Regular Premium & Stand alone Single Premium Non Medical Limits

For these Single Premium Plans/options, one can avail the Non Medical limits in both (for ages 18 to 50):

1. Standalone Non Medical Scheme for Single Premium and
2. Usual Non Medical Schemes such as Preferred/Special/General.

This further increases the scope of Insurance and Single Premium from the particular client.

Special Reports Charts Applicability

- Whenever the Proposer is eligible under any of the Non Medical Schemes, no need for Medical Report as well as Special Reports. **We need not refer to the Special Reports Charts at all.**

- When the SUC exceeds the Non Medical Limits, we have to check whether Medical Report is enough or any Special Reports are required. For this we have to refer to the Special Report Chart, applicable for the Proposer.

- If in the Special Report Chart, it is mentioned **"No Special Report",** there is no need for any Special Report, but there is a need for Medical Examiner's Report (MER).

- Whenever Special Reports are required as per the chart, Medical Report (MER) also must.
